

Improving access to general practice: evening and weekend appointments now available

Patients who are registered at this practice can now book an appointment to see a GP or nurse on weekday evenings (after 5.00pm) or at the weekends (on Saturdays and Sundays).

Appointments will either take place at this practice – up to 7.00p.m. Mondays - Thursdays or are also available 5.00 – 8.00p.m. at a Hub clinic co-ordinated by the combined efforts of 17 local practices under the name of Mid Hampshire Healthcare (M.H.H.) based at Badger Farm near Sainsbury's. To book an appointment, please speak to one of our receptionists.

By March 2019 everyone in England will benefit from access to general practice appointments in the evenings and weekends at a time that is most convenient to them. This is part of a national drive to help improve access to general practice and get the best possible outcomes for patients. Further information is available at www.england.nhs.uk/gpaccess
