

# TARGET time

The surgery will be closed **from 1pm** on **Thursday 17<sup>th</sup> August 2017** so that our GPs and other clinical staff can join a **TARGET** session.

You will still be able to call reception as normal for general enquires and making appointments.

If you think you need medical assistance during the closure please call **111** or if it is an **emergency** please dial **999**

The surgery will be open again as normal on **Friday 18th August**

Surgery Number: 01962 852211

**TARGET** stands for Time for Audit Research Governance and Training. This programme has worked very effectively in other parts of Hampshire and the sessions are well attended as the GPs find it useful to set aside dedicated time to work with their colleagues from other areas of the NHS.

Thank you for your cooperation.
